IBAN AQUAFISH

Your Reliable Fish Farming Partner

YOUR ONE STOP AQUA-STORE IN ZAMBIA

About us....

Vision

To be the market leader in the supply of aquaculture equipment and materials, provision of professional services and implementation of aquaculture projects.

Mission

To provide high quality aquaculture products & services; from professional aquaculture business plan development, supply of high grade and durable aquaculture equipment and materials, implementation of aquaculture projects and trainings to both commercial and emerging fish farmers, hatchery operators and fish feed producers.

Product description

IBAN Aquafish Solutions and Consultancy Limited supplies high quality and durable aquaculture equipment and accessories such as; HDPE fish cages, fishing nets of different types, geomembrane pond liners and hatchery equipment. The company sales products from reputable manufacturing firms with product warranty on most of its products. The professional team of experts offer quality services in fish farming business plan development, training in fish farming, construction of ponds and installation of cages. We conduct fisheries and aquaculture research and Environmental Impact Assessments.

DESCRIPTION OF THE BUSINESS

PRODUCT DESCRIPTION

HDPE Pond Liners

High durable pond liners with UV protection and made from 100% virgin material

Sizes: 8m*100m, 3m*50m
Thickness: 0.5 mm, 0.25 mm
Type: High Density Polyethylene (HDPE)

Price: K87/m & K440/m VAT INCL

**Water multi-parameter meter**

Water quality measuring instrument. Can measure: pH, Temp., Dissolved Oxygen, Salinity, Conductivity, Total Dissolved Solids

Type: AZ86031

Price: K16,772 VAT INCL

**Dissolved Oxygen meter**

Water quality measuring instrument. Measures Dissolved Oxygen & Temperature

Type: Pen type

Price: K5,510 VAT INCL

**pH meter**

Water quality measuring instrument. Measures pH, Electronic Conductivity & Temp.

Type: Pen type

Price: K1,200 VAT INCL

**Ammonia meter**

Water quality measuring instrument. Measures Ammonia (NH₃) & Temp.

Type: Pen type

Price: K14,050 VAT INCL

**Dissolved Oxygen meter**

Water quality measuring instrument. Measures Dissolved

Type: Meter with probe

Price: K4,850 VAT INCL

**Ring Air Blower**

Aeration equipment. Side Channel Blower Air Pump Ring Blower for Aquaculture suitable for fish tanks.

Voltage: 220V, single phase
Power: 1.5KW; Frequency: 50HZ
Max capacity: 210m³/h, Pressure: 200mbar

Price: K8,700 VAT INCL

**Two Paddle Wheel Aerator**

Aeration equipment. Suitable for outside ponds

Voltage: 220V/380V, Single & Three phase
Power: 0.75KW
Frequency: 50HZ
Max capacity: 1.4kg/h

Price: K8,800

Solar Two Paddle Wheel Aerator

Aeration equipment. Suitable for outside ponds & solar powered

Power: 0.75KW
Frequency: 50HZ
Max capacity: 1.4kg/h

Price: K49,970

Impeller Pond Aerator

Aeration equipment. Suitable for outside ponds.

Voltage: 380V, Three phase
Power: 1.5KW
Frequency: 50HZ
Max capacity: 2.25kg/h

Price: K7,500

Submersible Jet Aerator

Aeration equipment. Suitable for outside ponds.

Voltage: 220V, Single phase
Power: 250W
Frequency: 50HZ
Max capacity: 210 cm³/hr

Price: K7,300

Aeration hose

Aeration equipment. Equipped with micro poles for efficient aeration of fish tanks

Size: outside dia – 20mm, inside dia – 10mm, Length: 100 m
Frequency: 50HZ
Max capacity: 210 cm³/hr

Price: K5,800 or K100/m

Cast nets

Used for sampling of fish. They come in different sizes.

Size: 1.0m, 1.5m, 2.5m, 3.0m

Price: K600, K850, K1000, K1600

Scoop net

Scoop is made with a metal frame for durability.

Size: 30cm diameter
Mesh: 8mm, 12mm, 20mm

Price: K700 VAT INCL

Seine/drag nets

These already mounted nets are made from cotton netting material. They can be used for fish sampling and harvesting

Size: 3m*20m & 3m*30m
Mesh size: 8mm

Price: K4,550 & K4,900 VAT INCL

Hapa netting material

High quality hapa netting material which can be sewn into hapas. Hapas are customized. They are suitable for holding fry, fingerlings or broodstock fish

Size: 1.2m*200m

Price: K6,000 or K42/m VAT INCL

Bird nets

Made from high quality material with UV protection. Protects fish from predators. Life span of over 3 years

Sizes: 10m*200m
Mesh size: 20mm*20mm

Price: K10,000 or K75/m

**HDPE Fish Cages**

High Density Polyethylene (HDPE) fish cages. Circular and square cages are available

Size (square): 3m*3m, 4m*4m, 6m*6m
Circular: 10m, 20m, 22m dia.

Price: K85,500

**Fish Cage Nets**

Set of Fingerling, Grower and Predator net
Cage size: 6m*6m*5m

Price: K20,300

**Fish Tanks**

Tarpaulin fish tanks with frame.
Circular and rectangular shapes available.

Size: 2000L, 5000L, 10000L, 20000L

Price: K5,500; K7,500; K10,500; K17,500

**Incubation Jars**

Incubation jars for hatching of tilapia eggs.

Size: 2L
Capacity: 20000 eggs

Price: K2,500 (Incubation Jar)
Price: K1,500 (Hatching Tray)

**Flexible clear hose tubing**

PVC Flexible Single Clear Plastic Hose
Tube for aeration of aquariums and tanks
Size: 4mm, 8mm, 10mm & 12mm, 16mm
Length: 45m, 55m, 90m, 100m

Price: K15/m, K25/m, K50/m VAT INCL

**Air stones**

Air stones of different shapes; egg shaped, cylindrical, oval for diffusion of oxygen in aquariums and fish tanks.

Size: 8cm, 12cm, 15 cm

Price: K120, K200, K250

Aquarium heaters -K500

Aquarium heaters

These come with Temperature adjusting knob & thermostat

Voltage: 220V
Power: 300W, 500W

Price: K348

Fish Wading pants

Nylon light weight comfortable wading suit.

Boot sizes: 42, 43, 44, 45

Price: K1,050 VAT INCL

**Protective gloves**

Fish handling gloves

Size: XL

Price: K20 VAT INCL

**Sex reversal Hormone**

17 α Methyl-testosterone

Hormone for production of mono-sex tilapia

Package size: 1g, 10g, 20g, 50g, 100g, 200g, 500g, 1000g

Price: K240 VAT INCL

**Ovaprim**

Breeding inducing hormone for catfish and carp fish

Size: 10ml/bottle

Price: K1,300 VAT INCL

**Ethanol**

Ethanol is used to dissolve the sex reversal hormone before mixing it with fish feed.

Qty: 2.5L

Price: K700

**Measuring board**

Wooded fish measuring board with aluminum steel ruler

Length: 91cm

Price: K6,380 VAT INCL

**Digital Scale**

Digital scale for weighing of fish

Capacity: 5kg, 10kg

Price: K250, K280 VAT INCL

**Vernier caliper**

Digital Vernier caliper for accurate measurements of fish morphometric parameters

Size: 150mm

Price: K600 VAT INCL

Hailea Air Compressor

Âeration for aquariums and fish tanks.

Size: 30W, 60W, 120W, 300W, 500W

Price: K900, K1,500, K2,550, K3,350, K4,500

Electrical Fountain Aerator

Pond aeration

Power = 750W (1 HP), Voltage = 220V, Flow = 25m³/hr, Head = 5 m, Coverage area = 333-666m², Cable = 10m

Price: K4,300

Welding Machine

HDPE Welding Machine for dam lining

Thickness: 0.20mm – 1.5mm of membrane

Power: 2000W

Voltage: 220V

Price:

Petrol Water Pump – 2”& 3”

Brand: Dayliff

Max Flow = 53m³/hr, Max Head = 22.5 m, Max suction lift = 8m, Engine Size – 7HP

Price: K4,500, K4,985

Solar Fountain Aerator (with solar panel bracket)

Pond aeration

Power = 370W (0.5 HP), Voltage = 48V, Flow = 15m³/hr, Head = 4.5m, Coverage area = 100-200m², Cable = 5m

Price: K19,950

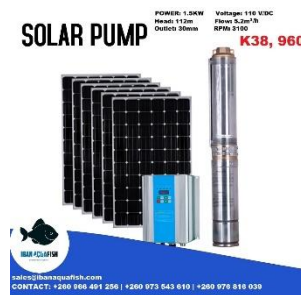

Solar water pump

Power = 0.75KW (1 HP), Voltage = 48V/DC, Flow = 4.5m³/hr, Head = 95 m

Full Set: Panels, Solar pump, polypipe, Rope

Price:

Hot Air Torch Welder

HDPE welding machine

Power: 1800W, 2000W

Voltage: 220V

Price: K1,900; K2,800 VAT INCL

Fish Harvesting crate

Heavy Duty

For harvesting table size fish

Price: K350 VAT INCL

Submersible clean water pump (Drain Pump)

Power = 550W (0.75 HP),
Voltage = 220V
Max Flow: 6.5M³/H

Price: K3,250 VAT INCL

**Submersible sewage water pump (Drain pump)**

Power = 0.75 HP, Voltage = 220V
7m Maximum Depth

Price: K2,400 VAT INCL

**Mechanical Hanging Scale**

Capacity: 200kg

Price: K170 VAT INCL

**Digital price computing scale**

Capacity: 30kg
Rechargeable battery/DC power

Price: K916

**Platform Scale**

Capacity: 100KG, 300kg
Steel head size: 40cm*60cm
Re-chargeable battery/DC power

Price: K1,440; K1,908

**Drip Irrigation pipe – High quality**

Specs: 16mm, 30cm distance, 0.8mm thickness, 500m roll

Price: K3,800

**Air Check valve (non – return valve)**

Size: 4mm, 8mm

Price: K10, K15

**Air flow control valve, Tee connector**

Size: 4mm

Price: K20 VAT INCL

Airline variable diameter head

Size: 4mm to 8mm

Price: K30 VAT INCL**Worksuit**

Size: XXL, XL, L, M

**Price: K250, K350, K500
VAT INCL****Safety Shoe**

Size: 44, 43, 42, 38

Price: K754 VAT INCL**Aquarium Tanks**120cm*31.5cm*61cm
80cm*40cm*145cm
60cm*40cm*145cm
150cm*40cm*159cm**Price: K7,671.62**

Floating fish feed pellet machine

**Floating feed pellet machine**Has extruder to produce floating pellets.
Available on orderCapacity: 40kg/hr, 60kg/hr, 100kg/hr,
200kg/hr**Price: K65,000****Grinder Machine**Motor: 4kw 380v 50hz
Capacity: 100-150kg/h (with
0.8-1mm screen)
Weight: 80kg**Price: K39,500****Mixer Machine**Capacity: 200-300kg/h
Mixing time: 5 minutes for 25kg
Motor: 4kw, 380v. Weight: 90kg**Price: K39,500****Dryer Machine**Diameter: 433cm
Electric motor: 4.7kw
Fan motor: 180w
Capacity: 50kg per batch
Weight: 70kg**Price: K49,500**

Tilapia fingerlings

High quality tilapia fingerlings,
mono-sex
Species: *Oreochromis andersonii*,
Oreochromis niloticus

Size: 2-5g

Price: K1.50

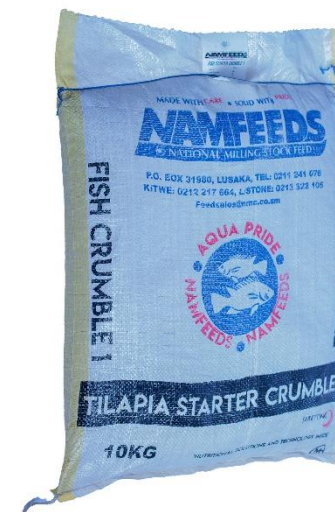

Fish Feeds

We have floating feed for tilapia.
Aller Aqua, Novatek and Skretting
brands

Size: 1kg, 5kg, 10kg, 15kg & 25kg
Brand: Aller Aqua, Namfeeds &
Novatek
Type: Starter, grower and finisher
feeds

Price: K335 – 10kg

Construction service

We construct: Ponds, Hatcheries and all other aquaculture facilities

Training Service

We offer training in fish farming. We offer full courses as well as short courses

Consultancy & Research

We offer consultancy services in aquaculture.

Installation of fish cages and pond liners

We install fish cages and pond liners; we weld or join pond liners; we harvest fish for clients etc
